## ALDERFER - BETHLEHEM SAUSAGE WERK - LEIDY'S

Our BSW, Leidy's and Alderfer smokehouse products are naturally wood smoked with real wood chips, following many of the same traditional Alderfer recipes started by brothers Melvin and Lewis Alderfer, dating back to 1922. Many things have changed over the years, since those humble beginnings as the Alderfer Bologna Company, but one thing that has not changed is smoking with natural wood chips! If you want the rich taste of real wood smoked meats, look for our naturally Smoked and Double Smoked meats. The legacy and flavor continue to satisfy discerning tastes for many generations.

Sausages, smoked meats, frankfurters/wieners, and ham. **Pricing available upon request.**
